with number of people and pets attending! Just so we don't run out of stuff!!

All dogs must be on leashes at all times Please!

No Alcohol

Over the years we have met and cared for many wonderful patients. We would like to honor your dedication and love for animals by inviting you to the **Animal Cancer and Imaging Centers** first "Paws of Hope" Picnic. If your pet is currently fighting cancer or has been cured, we would like you to share this special day with us. We realize many of our wonderful patients are no longer with us but their paw prints are left on our hearts. Please come and honor their love and their memory.
